

THIS WEEK...

THIS WEEK'S LESSON: JESUS RECEIVES WORSHIP FROM A WOMAN

LESSON SUMMARY:

Ask your child what they learned about this week:

A woman pours a valuable jar of perfume over Jesus' head. The disciples are mad, thinking this is a waste of money. But Jesus sees it as an act of love, and **Jesus appreciates our love**. He says this woman's act will be remembered forever.

HANGING OUT:

Make this week's lesson real:

Worship in ways that use everyone's gifts. Someone who likes to sing or play an instrument can sing or play a worship song. Someone who likes to write can write a praise poem. Someone who likes art can paint a worshipful picture. Someone who's good at a sport can practice the sport and then thank God for making our bodies. Someone who likes to talk can share a story about why he or she loves Jesus. Use your imagination to think of other ways to show you love Jesus. Come together and share what you each did to show your love to Jesus.

AT DINNER:

Here are some great discussion starters:

- What do others do that makes you feel most loved?
- What do you like to do to show love?

AT BEDTIME:

Quiz your child on this week's memory verse:

"But to all who believed him and accepted him, he gave the right to become children of God" (John 1:12).

PARENT TIME:

What you need to know:

Jesus appreciates our love. Kids don't usually have a lot of money to spend on gifts, but you can tell when a gift really comes from a child's heart. A picture a child colored, specifically using your favorite colors. A handmade necklace that you'd never find at a jewelry store. These gifts from the heart are an outpouring of kids' love. Help kids see that Jesus appreciates acts of love from our hearts. Pray that your child(ren) would feel unashamed to love and worship Jesus in every aspect of their lives.
